# ABOUT

**Chain X Global** is a reliable sourcing partner for industrial equipment, electrical systems, mechanical components, and automation solutions. With a strong presence in Pakistan and strategic links to China, we serve industries by connecting them with trusted global manufacturers and suppliers. Through our extensive sourcing network and commitment to customer satisfaction, we deliver quality, reliability, and value with every project.

# OUR JOURNEY

Founded to bridge the gap between industrial sectors and global supply chains, we have expanded into a trusted partner for diverse industries and international customers, offering both industrial supplies and general imports.

# MISSION

To deliver innovative, reliable, and cost-effective sourcing solutions that empower industries to operate efficiently and sustainably.

# VISION

To be the leading global sourcing partner, recognized for integrity, quality, and customer-focused service worldwide.

# CORE VALUES

- Integrity in every transaction
- Commitment to quality and innovation
- Customer satisfaction above all
- Global reach with local expertise
- Sustainability and responsibility

# OUR EXPERTISE

We specialize in two major areas

## 1. INDUSTRIAL & ENGINEERING SUPPLIES

- Electrical & automation systems
- Industrial instrumentation and process control
- Mechanical equipment and spare parts
- IT Hardware & Networking

## 2. COMMERCIAL & CONSUMER IMPORTS

- CCTV & Monitoring Systems
- Electronics & Accessories
- Household & Kitchenware
- Apparel & Textiles
- Office & Stationery
- Toys & Daily Essentials

# ELECTRICAL & AUTOMATION

## SOLUTIONS OFFERED

- PLCs, HMIs, SCADA systems
- Variable Frequency Drives (VFDs) & Soft Starters, sensors
- Switchgear, MCCs, control panels
- Industrial cabling and wiring solutions
- Industrial UPS Solutions

## APPLICATIONS

Power generation, utilities, food & beverage, cement plants, water treatment facilities, manufacturing lines.

# INSTRUMENTATION & MECHANICAL

## INSTRUMENTATION SOLUTIONS

- Sensors: temperature, pressure, flow, level
- Analyzers for gas, liquids, and process quality
- Control valves & actuators
- Calibration & testing instruments

## MECHANICAL EQUIPMENT

- Motors & gearboxes
- Pumps & compressors
- Bearings, couplings & conveyors

# SOLAR SOLUTIONS

## POWERING A SUSTAINABLE FUTURE

In line with the growing demand for clean energy, we provide a wide range of solar solutions for commercial, industrial, and residential applications. Our goal is to help organizations reduce energy costs.

## OUR OFFERINGS

- **Solar Panels & Modules** – High-efficiency mono & polycrystalline panels
- **Inverters & Controllers** – Grid-tied, hybrid, and off-grid solutions
- **Energy Storage Systems** – Lithium-ion, VRLA and deep cycle batteries
- **Mounting Structures & Accessories** – Durable racking and cabling systems
- **Turnkey Solutions** – Consultation, sourcing, and supply of complete solar setups

# CHINA SOURCING DIVISION

## YOUR GATEWAY TO CHINA IMPORTS

We provide end-to-end sourcing solutions for general and daily life products from China.

## PRODUCT CATEGORIES

- Household & lifestyle products
- Consumer electronics & gadgets
- Tools, hardware & construction items
- Packaging & printing materials
- Customized/OEM products

## SOURCING WORKFLOW

Requirement → Supplier Vetting → Price Negotiation → Quality Control → Shipping & Delivery

# GLOBAL NETWORK

## OUR SOURCING HUBS

We specialize in end-to-end sourcing of general and daily-life products, ensuring quality and competitive pricing through our global network.

## PRODUCT CATEGORIES

- **Europe & Germany:** Electrical and automation equipment
- **USA:** Industrial control systems and automation products
- **UAE & Middle East:** Logistics and rapid supply hubs
- **China:** Consumer goods, general imports, and OEM products

# INDUSTRIES WE SERVE

## TARGET INDUSTRIES

Our solutions are designed to support a wide range of industries, including.

- **Oil & Gas** – automation, safety, and process control solutions
- **Power Generation** – electrical equipment, control systems, and instrumentation
- **Manufacturing** – industrial automation and mechanical components
- **Food & Beverage** – process instrumentation and hygienic equipment
- **Water Treatment** – monitoring, pumping, and control systems
- **Cement & Construction** – heavy-duty electrical and mechanical equipment

# GENERAL SUPPLIES & CONSUMER MARKETS

In addition to industrial sourcing, we provide general supplies and daily-use products through our global and China sourcing division.

## SERVING

- Trading & wholesale businesses
- Retailers & distributors
- Contractors & project suppliers
- Organizations seeking customized/OEM products

# WHY CHOOSE US

- Global reach, local expertise
- Genuine products from trusted suppliers
- Competitive pricing
- Reliable after-sales support
- One-stop sourcing partner

## OUR COMMITMENT

We are dedicated to building long-term partnerships by providing authentic products, competitive pricing, and reliable support across both industrial and general supply markets.

## DELIVERING WITH TRUST AND PRECISION

We partner with freight forwarders and inspection agencies to ensure timely and secure delivery.
